

Anticipation Guide: Federal Agencies + Travel = Quality Control

Prior to the start of this lesson, place a check mark by each statement you THINK is true. At the conclusion of the lesson reread each statement and place a check mark by each statement you KNOW is true. Provide information that PROVES other statements are not true. You may use the back of this sheet if additional space is needed.

Knowledge before the lesson	Statements	Knowledge after lesson
	1. Quality control is a system for verifying and maintaining a desired level of quality in an existing product or service by careful planning, use of proper equipment, continued inspection and corrective action as required.
