## YOUR ROAD TO SELF-IDENTITY

Self-identity is a sense of individuality. Awareness of and identification with oneself as a separate individual.

Diagram your own your personal road to self-identity. Beginning with infancy, in top event box write what you remember about the appropriate age. For future events, add what you would like to experience. In the bottom box, include family, friends and other individuals and **how** they helped or **will help** mold your self-identity.
